Pearl Harbor Federal Credit Union Celebrates Grand Opening

Pearl Harbor Federal Credit Union (PHFCU) will hold its grand opening celebration of its new Waipio location on October 22, 2005.

Pearl Harbor Federal Credit Union's (PHFCU) new location, located on the corner of Ka Uka Boulevard and Ukee Street in Waipio, will celebrate the grand opening of its 5th location on October 22, 2005. PHFCU opened the doors of the Waipio location in September.

The new location will be PHFCU's new main office, which was originally located on Pearl Harbor Naval base, includes evening and weekend hours, two drive-thru tellers, a change sorter, safe deposit boxes, a drive-thru and walkup ATM, a children's area located on the main floor, and educational kiosks.

"This new location will provide greater accessibility and convenience," said Eugene Chang, PHFCU's President and CEO. "We are excited to be part of the Waipio community and anticipate helping the people of Oahu not only with their financial needs, but with the same quality service we have provided for sixty-eight years."

PHFCU is a not-for-profit, financial cooperative with more than \$250 million in assets and currently serves more than 20,000 member-owners. Anyone who lives, worships, works in, or attends school in, and businesses and other legal entities located on the island of Oahu is eligible for membership, which is only \$6.00 (\$1 non-refundable membership fee and \$5 that will be deposited into your Savings Account).
